Fábio Alves

<JUNIOR FULLSTACK DEVELOPER>

ABOUT

I'm completely in love with tech, learning at the speed of light, surfing lines of code to overcome challenges, with lots of energy and fun, to this day I remember my first hello world, when the program compiled and "hello world" appeared on the screen I thought "Wow I am a hacker", one of the best sensation of my life

SKILLS

- Java
- Spring MVC
- SQL Server
- HTML && CSS
- JavaScript
- React (ReactJS && ReactNative)
- GIT

EDUCATION

<ACADEMIA DE CÓDIGO_>
